Letter of Authorization

As part of the celebrations of Azadi Ka Amrit Mahotsav, Office of the Joint Secret General, Patents, Designs & Trade Marks (CCPDTM) had launched NIPAA (National Intellectual Property Awareness Mission) on 08th Dec 2021 with the objective to impart training to one million students in Intellectual Property Rights (IPRs) by 15th August, 2022. With active participation and Co-operation from the educational institutions, this office accomplished the milestone well before the deadline. In this mission this office trained 11,86,924 (5,55,225 female & 6,31,699 male) students and faculties of all states and union territories of India.

In view of the encouraging response of the NIPAA, the office has decided to launch NIPAA 2.0 in collaboration with TIPAAC and other IP professionals. NIPAA 2.0, the next version of the mission imparts training to IPRs among students at different levels along with the faculties. This mission specifically aims to cover all the districts of India.

So far more than 13.5 lakh students and faculties have already been trained in IPR under NIPAA 2.0.

It is expected that NIPAA 2.0 can reach every nook and corner of the nation as they are spread all over India. By involving themselves in this mission, they can contribute significantly to the IPR ecosystem of India. As part of said Mission, the Office of CCPDTM hereby invites your esteemed institution to avail the benefit of this special drive by conducting an Intellectual Property Rights awareness program.

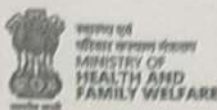

We are happy to nominate Dr. Manish Kumar Thakur as a Trainer to conduct IP Awareness for NIPAA 2.0 in your esteemed institution. We hope 10-15 numbers of programmes will be planned throughout the year. We appreciate your planned activity.
