Report

REPORT

Name of the Program: Communicative English training

Duration of Training: 18 oct,2018 to 31 march 2019

Resource Person Details: Mrs. A. Karunasree

Assistant Professor,BITS

Balaji Institute of Pharmaceutical Sciences as per the academic syllabus conducted a class work on "Communicative English training" for B pharmacy 1st year and Pharm-D 1st year students throughout the semester by Mrs. A. Karunasree from 18 oct,2018 to 31 march 2019. The main objectives of conducting Communicative English training was

- ✓ To review the grammatical forms of English and to utilize these forms in specific communicative contexts, which include class activities, homework assignments, reading of texts and writing.
- ✓ To attain and enhance competence in the four modes of literacy, writing, speaking, reading and listening.
- ✓ To develop interaction skills.
- ✓ To produce a short research paper using the drafting process.
- ✓ To develop their ability as critical readers and writers.

90% students from both the years have attended this informative program Mrs. A. Karunasree took interactive sessions where she explained the importance of English learning and how they are most important in the corporate field. On the last day of the training she conducted group activity program among the students and assessed group activity performance of the students. An open feedback of the students have been asked and confessed that English training ensured them to be more productive and confident. The management and principal of Balaji Institute of Pharmaceutical Science expressed the gratitude to Mr. Mrs. A. Karunasree.

Details of the activity

Date : June 14 th, 2018

Name of the activity: Blood donation camp

Resource person: Red cross society & Lions club of India

Balaji Institute of Pharmaceutical Sciences has conducted Blood donation camp with the cooperation of Indian Red Cross society in the college premises in association with Lions Club of India, Hanamkonda. 60 students participated in this program. Donation of blood really helps the people who are in need of it. Blood cannot be made artificially; the only source of blood is getting it from a healthy donar. The person who donates the blood can also boost his immune system as he will be able to generate new blood cells which have an enhanced activity. Students who are eligible to donate the blood has donated and helped the people who were in need.
