Report

Date: 30th, oct 2021

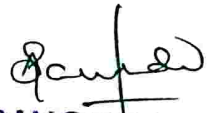

Name of the activity: Interpersonal Skills

Duration: 18th,oct to 30th,2021

Resource person: Dr.P Bharath

Balaji institute of pharmaceutical sciences conducted "A training program on "interpersonal skills" for B pharmacy III, IV year and Pharm D Vth ,VIth year students by Dr.P Bharath from 18th,oct to 30th,2021. The motto of this programme is to engage students in meaningful interactions with others, which will enhance their communication skills and also to make students aware of the skills gap and shortage found in the industry and the importance of cluster of personality traits, managing people, body language, Took interactive sessions where he explained the main role of soft skills learning and how they became most important in the corporate field. On the last day of the training Dr.P Bharath conducted open feedback from the students who asked and confessed that soft skills helped them to be more productive. The management and principal of Balaji institute of pharmaceutical sciences expressed the gratitude to Dr.P Bharath and students for making the program fortuitous.

REPORT

Name of the Program: Communicative English training

Duration of Training: 18 sep,2020 to 15 th.april, 2021

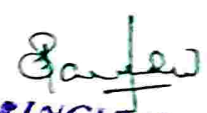

Resource Person Details: Mrs. A. Karunasree

Balaji Institute of Pharmaceutical Sciences as per the academic syllabus conducted a class work on "Communicative English training" for B pharmacy 1st year and Pharm-D 1st year students throughout the semester by Mrs. A. Karunasree from 18 sep,2020 to 15 th. april. 2021. The main objectives of conducting Communicative English training was

- ✓ To review the grammatical forms of English and to utilize these forms in specific communicative contexts, which include class activities, homework assignments, reading of texts and writing.
- ✓ To attain and enhance competence in the four modes of literacy. writing, speaking, reading and listening.
- ✓ To develop their ability as critical readers and writers.
- ✓ To develop interaction skills.
- ✓ To produce a short research paper using the drafting process.

92% students from both the years have attended this informative program Mrs. A. Karunasree took interactive sessions where she explained the importance of English learning and how they are most important in the corporate field. On the last day of the training she conducted group activity program among the students and assessed group activity performance of the students. An open feedback of the students have been asked and confessed that English training ensured them to be more productive and confident. The management and principal of Balaji Institute of Pharmaceutical Science expressed the gratitude to Mr. Mrs. A. Karunasree.

REPORT

Name of the Program: International Yoga Day

Date: 21st June 2021

Resource Person Details: Suraiah

physical director

Balaji Institute of Pharmaceutical Sciences organized "A training program" on "International Yoga Day" for B. Pharmacy and Pharm-D students on 21st June 2018 by **Suraiah**

She Created awareness about the significance of yoga in daily lives and how it helps in maintaining the calmness of mind by conducting a demonstrative session. About 271 students from both the courses have attended this informative program. Individuals with learning experience skills were been assessed. An open feedback from the students has been asked and confessed that the International Yoga Day training program was very helpful. The management and principal of Balaji Institute of Pharmaceutical Sciences expressed the gratitude to **Suraiah** and students for making the program successful.

REPORT

Name of the Program: Cardiopulmonary resuscitation training

Date: 11Aug, 2021

Resource Person Details: Dr.Bharath

MBBS, Kakatiya Medical College

Balaji Institute of Pharmaceutical Science organised "A training program on "Cardiopulmonary resuscitation training for B. Pharmacy 1st year and Pharm-D I and 1st year students by Dr.Bharath on 11Aug, 2021.

The main objectives of conducting CPR Training is to manage an unresponsive casualty for the ones who is having an issue in normal breathing

- ✓ To Recognize and know the need to commence Cardiopulmonary Resuscitation (CPR)
- ✓ To Perform Cardiopulmonary Resuscitation using a manikin

The students from both the courses have attended this informative programs. The talk gave a detailed information about-

- ✓ Assess the scene for danger.
- ✓ Assess a casualty's level of consciousness and minimize the damage.
- ✓ Demonstrate how to open a casualty's airway and check for breathing.
- ✓ Demonstrate how to place an unresponsive casualty in the recovery position.

Individuals with learning experience skills were been assessed. An open feedback from the students has been asked and confessed that CPR Training was very helpful as part of their Hospital postings. The management and principal of Balaji Institute of Pharmaceutical Science expressed the gratitude to Dr.Bharath students for making the program successful.
