REPORT

Name of the Program: Cardiopulmonary resuscitation training

Duration of Training: 04 Jan, 2022

Resource Person Details: Dr. shivaramakrishna

Balaji Institute of Pharmaceutical Science

Balaji Institute of Pharmaceutical Science organised "A training program on Cardiopulmonary resuscitation training for B. Pharmacy 1st year and Pharm-D I and 1st year students by Dr. Bharath on 04 Jan, 2022.

The main objectives of conducting CPR Training is to manage an unresponsive casualty for the ones who is having an issue in normal breathing

- ✓ To Recognize and know the need to commence Cardiopulmonary Resuscitation (CPR)
- ✓ To Perform Cardiopulmonary Resuscitation using a manikin

About 120 students from both the years have attended this informative programs. The talk gave a detailed information about-

- ✓ Assess the scene for danger.
- ✓ Assess a casualty's level of consciousness and minimize the damage.
- ✓ Demonstrate how to open a casualty's airway and check for breathing.
- ✓ Demonstrate how to place an unresponsive casualty in the recovery position.

Individuals with learning experience skills were been assessed. An open feedback from the students has been asked and confessed that CPR Training was very helpful as part of their Hospital postings. The management and principal of Balaji Institute of Pharmaceutical Science expressed the gratitude to Dr. Bharath students for making the program successful.
