LETTER OF RECOMMENDATION

Ms. A.HARINANDINI, my student, is enthusiastic in pursuing a Master's degree at your University and I am pleased to recommend her. Having observed her for such a long time, nothing gives me more pleasure than recommending one of my competent student for a master's degree at your esteemed University.

As a Professor in Pharmaceutics, Pharmaceutical Engineering and Bio-Pharmaceutics and Pharmacokinetics, Novel Drug Delivery System, Hospital and Clinical pharmacy in her course study, I have found Ms. A.HARI NANDINI to be hard working. She understands complex topics very well and contributes to the dialogue of her class by raising interesting questions. I personally found her to be attentive to details and her ability to work in a group is exceptional. She is always well prepared in submitting her assignments on time.

With her polished and diplomatic approach and her communication skills, she has been able to maintain a harmonized relationship with her teachers and other students. She is an active participant in most of the technical as well as extracurricular activities of the college as an individual, in a group and as a team leader.

Given her abilities and commitment, I believe that Ms. A.HARI NANDINI has the potential to undertake her higher studies. I strongly recommend her for admission to your master's program with a possible financial aid that would be helpful for her graduate study.

LETTER OF RECOMMENDATION

I am pleased to recommend A.HARI NANDINI, in support of her application to the master program at your esteemed university. As a teacher, I have interacted with her both in the classroom as well as in the laboratory. I have taught her Pharmaceutical Inorganic Chemistry and Pharmaceutical Analysis as well as their respective laboratory concepts in the first and fourth year of B.Pharmacy respectively.

Ms. HARI NANDINI has displayed a clear sense of purpose preservice during her study. She has an analytical mind which helps her approach to subjects of difficulty in a unique manner. She has consistently performed well in her academics and has shown quite an ability to grasp the concepts. She is not only passionate about work but also strives for perfection. She has also displayed exemplary laboratory skills that are vital.

Apart from her curriculum, she has participated excessively in extra-curricular activities as well. She has been an active member of the pharmacy student club of Balaji Institute of Pharmaceutical Sciences. With this background, I can say that she is well suited for the field of health sciences and its allied areas. I can attest to HARI NANDINI's commitment towards her studies and I strongly recommend her for Master's Program at your university with financial aid.

LETTER OF RECOMMENDATION

As a Principal of Balaji Institute of Pharmaceutical Sciences, I am pleased to certify Ms. A.HARI NANDINI, a bonafied student of Balaji Institute of Pharmaceutical Sciences, completed a graduation oriented course of Bachelor of Pharmacy from the year of 2017-18 to 2020-21 and seeking a position in your university for masters. She shown an impressive participation in her academics and had a remarkable role in many acknowledged events conducted in the college.

To express more in greater detail, I have handled the subjects of HAP (Human Anatomy & Physiology in her first year, I have seen her growth as a responsible student and an individual during 4 years of study. She had an enough comprehensive command on the following significant subjects and concepts: Human Anatomy and Physiology, Medicinal and Biological Chemistry, Pharmacology, Biostatistics and Computer Sciences both theoretically and practically.

To conclude this, I strongly recommend her for any kind of graduate assistantship in your university, and believe that your renowned university is an ideal place for her to make her ambitions come true. I am sure if she admitted to your university, she will make considerable contribution to the rank of your alumni someday.

Please do not hesitate to contact me for further information.

20 July 2023

LETTER OF RECOMMENDATION

This letter is written to endorse Mr. Zahid hasan laskar an outstanding student of our institute. I have known him for six years as a course instructor and as the HOD at Balaji Institute of Pharmaceutical Sciences. I have dealt with Human Anatomy & Physiology and Pharmacotherapeutics subjects. I would assure that he is one of the most promising students of our college and invariable in his academics and targeting higher education with interest.

Mr. Zahid hasan laskar is a dedicated, hardworking, inquisitive person with great passion towards his studies and actively participated in class discussions. He has very good academic record and has been securing 75% marks. He is confident, optimistic, has good communication skills and grasping ability, attentiveness and active participation in any work attribute to his success. His maturity, competence and ability to work diligently enable him to fit into highly competitive atmosphere.

As a part of internship programs, he acquired the knowledge in Evaluating Prescriptions, identifying prescription errors and detecting adverse drug reaction. His good oral and written communication skills enabled him to receive appreciation from peers, faculty and evaluators for seminar presentations and assignment reports. From any interactions with him and even from the class room discussions I could make out that he has thorough understanding of fundamentals and evidence keen interest in his studies.

Mr. Zahid hasan laskar has perseverance to succeed which shows his strong will for his future endeavors. I strongly recommend his candidature for admission at your esteemed University, with financial assistance as he would be an asset to your University.

Please do not hesitate to contact me in future for any information.
