S.No	Functional MOU /Collaboration	Start and end date	Summary
1	Rubicon Skill Development Pvt. Ltd	03-07-2023 To 03-07-2026	A functional Memorandum of Understanding (MoU) has been formalized between Rubicon Skill Development Pvt. Ltd. and Balaji Institute of Pharmaceutical Sciences, marking a significant milestone in fostering academic-industry collaboration. This strategic partnership aims to bridge the skill gap by integrating innovative training modules, industry-relevant workshops, and hands-on learning experiences into the academic framework. By leveraging Rubicon's expertise in skill development and the institute's academic excellence, the MoU seeks to equip students with practical knowledge, enhance employability, and align their competencies with evolving industry standards. This collaboration underscores a shared commitment to nurturing future-ready professionals and fostering sustainable career growth
2	Pavani Nursing Home	20-06-2023 To 19-06-2028	A strategic Memorandum of Understanding (MoU) has been established between Pavani Nursing Home and Balaji Institute of Pharmaceutical Sciences, heralding a new era of academic-industry collaboration. This partnership aims to integrate practical healthcare insights with academic rigor, providing students with unparalleled opportunities for experiential learning and professional growth. By leveraging Pavani Nursing Home's clinical expertise and the institute's academic excellence, the MoU facilitates internships, research collaborations, and skill enhancement programs. This synergy underscores a shared vision of cultivating competent healthcare professionals, bridging the gap between theoretical knowledge and practical application, and contributing to advancements in pharmaceutical and healthcare practices.
3	Vandana Nursing Home	25-06-2023 To 24-06-2028	A functional Memorandum of Understanding (MoU) has been formally established between Vandana Nursing Home and Balaji Institute of

			Pharmaceutical Sciences, marking a significant step towards fostering academic-industry collaboration. This strategic partnership aims to facilitate advanced clinical training, research opportunities, and experiential learning for students while leveraging the expertise of healthcare professionals to bridge the gap between theoretical knowledge and practical application. The MoU envisions a symbiotic relationship that enhances the quality of education, promotes interdisciplinary research, and strengthens the professional competencies of budding pharmacists, ultimately contributing to the advancement of healthcare services and pharmaceutical sciences.
4	Sunay Maternity & Surgical Nursing Home	25-06-2023 To 24-06-2028	A strategic Memorandum of Understanding (MoU) has been formally established between Sunay Maternity & Surgical Nursing Home and Balaji Institute of Pharmaceutical Sciences. This partnership signifies a mutual commitment to advancing healthcare and pharmaceutical education through collaborative initiatives. The agreement aims to facilitate student internships, professional training, and research opportunities, fostering a deeper understanding of real-world clinical practices. By leveraging the expertise of Sunay Maternity & Surgical Nursing Home and the academic prowess of Balaji Institute of Pharmaceutical Sciences, this MoU will promote interdisciplinary learning, enhance skill development, and contribute to holistic patient care solutions, ensuring academic and professional excellence.
5	Clinovi Research	16-05-2022 To 15-05-2025	A strategic Memorandum of Understanding (MoU) has been formalized between Clinovi Research and Balaji Institute of Pharmaceutical Sciences to foster a collaborative framework aimed at advancing research, training, and innovation in the pharmaceutical domain. This partnership underscores a shared commitment to bridging academia and industry by providing students and faculty with access to cutting-edge resources, professional expertise, and real-world applications in clinical research and drug development. The collaboration aspires to cultivate a dynamic learning ecosystem, equipping students with industry-relevant skills while driving impactful contributions to the healthcare sector. This alliance marks a significant milestone in promoting excellence in pharmaceutical education and research.
6	SG Healthcare Pvt. Ltd	13-05-2022 To 12-05-2025	A pivotal Memorandum of Understanding (MoU) has been established between SG Healthcare Pvt. Ltd. and Balaji Institute of Pharmaceutical

			Sciences, laying the foundation for a transformative collaboration aimed at bridging academia and industry. This alliance aspires to enhance the academic ecosystem by facilitating access to advanced healthcare technologies, fostering industry-relevant training programs, and promoting joint research initiatives. By leveraging mutual expertise, the partnership seeks to empower students and faculty with hands-on exposure to real-world challenges and innovative solutions in healthcare. This MoU underscores a shared vision to cultivate a new generation of pharmaceutical professionals equipped to address global healthcare needs.
7	Dr. NS Labs	13-05-2022 To 12-05-2025	A strategic Memorandum of Understanding (MoU) has been formalized between Dr. NS Labs and Balaji Institute of Pharmaceutical Sciences, establishing a collaborative framework to drive innovation and excellence in pharmaceutical education and research. This partnership aims to synergize academic rigor with industry expertise, offering students and faculty unparalleled opportunities for advanced training, skill development, and research in cutting-edge pharmaceutical sciences. By leveraging the strengths of both institutions, the MoU aspires to foster a culture of innovation, bridge academia-industry gaps, and empower the next generation of pharmaceutical professionals to address emerging challenges in healthcare with competence and creativity.
8	Avodha Edu Pvt. Ltd	08-07-2022 To 07-07-2027	A transformative Memorandum of Understanding (MoU) has been established between Avodha Edu Pvt. Ltd. and Balaji Institute of Pharmaceutical Sciences, paving the way for a dynamic partnership dedicated to academic and professional excellence. This collaboration aims to integrate cutting-edge educational methodologies and industry-driven skill development programs into the academic framework. By leveraging Avodha Edu's expertise in innovative learning solutions, the partnership seeks to empower students with future-ready skills, enhance employability, and promote entrepreneurial thinking. This MoU signifies a shared commitment to fostering academic-industry synergy and nurturing a generation of pharmaceutical professionals equipped to excel in a rapidly evolving healthcare landscape.
9	Telangana Academy for Skill and Knowledge (TASK)	20-06-2023 To 20-05-2024	A significant Memorandum of Understanding (MoU) has been formalized between the Telangana Academy for Skill and Knowledge (TASK), Government of Telangana, and Balaji Institute of

			Pharmaceutical Sciences, marking a milestone in academia-industry collaboration. This partnership aims to empower students and faculty with cutting-edge skill development programs, industry-aligned training modules, and knowledge-sharing initiatives. By leveraging TASK's expertise in fostering skill enhancement and bridging the gap between academia and industry, this collaboration seeks to elevate the professional competencies of students, enhance employability, and promote innovation in the pharmaceutical sciences. The MoU underscores a shared vision for driving excellence in education and skill development.
10	Vinayaka Neuro Multi-Speciality Centre	11-10-2020 To 10-10-2025	A pivotal Memorandum of Understanding (MoU) has been established between Vinayaka Neuro Multi-Speciality Centre and Balaji Institute of Pharmaceutical Sciences, heralding a new era of collaborative excellence in healthcare and education. This strategic partnership aims to provide students and faculty with unparalleled exposure to advanced neuropharmacological practices, clinical insights, and interdisciplinary research opportunities. By integrating the expertise of a premier neuro-speciality center with the academic rigor of the institute, the collaboration seeks to enhance skill development, foster innovation, and promote hands-on learning experiences. This MoU signifies a shared commitment to advancing healthcare education and addressing complex neurological challenges through synergistic efforts.
11	Srinivasa Hospitals	01-02-2020 To 31-12-2024	A comprehensive Memorandum of Understanding (MoU) has been formalized between Srinivasa Hospitals and Balaji Institute of Pharmaceutical Sciences, creating a robust platform for academic-industry collaboration. This strategic alliance aims to enhance experiential learning, clinical exposure, and interdisciplinary research in pharmaceutical and healthcare sciences. Leveraging Srinivasa Hospitals' expertise in advanced medical practices, the partnership seeks to empower students with real-world insights and foster professional development through specialized training programs. This MoU reflects a shared vision to bridge the gap between academia and healthcare, driving innovation, skill enhancement, and excellence in addressing contemporary healthcare challenges and improving patient outcomes.
12	Sai Sree Hospitals	04-11-2018 To 03-11-2023	A strategic Memorandum of Understanding (MoU) has been formalized between Sai Sree Hospitals and Balaji Institute of Pharmaceutical

			Sciences, forging a collaborative pathway to enhance academic and clinical integration. This partnership is designed to provide students and faculty with access to advanced healthcare practices, interdisciplinary research opportunities, and real-world exposure to pharmaceutical applications in clinical settings. Leveraging Sai Sree Hospitals' expertise in patient care and medical excellence, the MoU aims to foster innovation, skill development, and knowledge sharing. This alliance underscores a shared commitment to bridging the academia-healthcare gap, nurturing future professionals, and addressing contemporary challenges in healthcare delivery.
13	SVR Multi-Speciality Hospitals	12-06-2019 To 11-06-2024	A transformative Memorandum of Understanding (MoU) has been established between SVR Multi-Speciality Hospitals and Balaji Institute of Pharmaceutical Sciences, heralding a strategic alliance aimed at fostering academic excellence and clinical innovation. This collaboration seeks to bridge the gap between theoretical knowledge and practical application by providing students and faculty with immersive exposure to advanced medical practices, interdisciplinary research opportunities, and hands-on training in a clinical environment. Leveraging SVR Multi-Speciality Hospitals' expertise in patient care and cutting-edge healthcare solutions, the partnership aspires to cultivate a new generation of pharmaceutical professionals equipped to address complex healthcare challenges with competence and ingenuity.
14	Sai Ram Children Clinic	14-06-2019 To 13-06-2024	A significant Memorandum of Understanding (MoU) has been established between Sai Ram Children Clinic and Balaji Institute of Pharmaceutical Sciences, creating a collaborative framework to advance academic and clinical excellence in pediatric healthcare. This strategic partnership is designed to provide students and faculty with valuable exposure to specialized pediatric practices, facilitating hands-on learning, research opportunities, and community health initiatives. By integrating the clinic's expertise in child health with the institute's academic rigor, the collaboration aims to bridge knowledge gaps, foster innovation, and enhance skill development. This MoU reflects a shared commitment to nurturing competent pharmaceutical professionals equipped to contribute meaningfully to pediatric healthcare advancements.
15	Jayakrishna Psychiatric	11-08-2019 To 10-08-2024	A strategic Memorandum of Understanding (MoU) has been formalized

	Care and Counseling Centre		between Jayakrishna Psychiatric Care and Counseling Centre and Balaji Institute of Pharmaceutical Sciences, establishing a transformative partnership aimed at advancing mental health education and research. This collaboration seeks to provide students and faculty with specialized insights into psychiatric care, therapeutic methodologies, and evidence-based counseling practices. By integrating the center's expertise in mental health with the institute's academic strengths, the partnership aspires to foster skill development, innovation, and interdisciplinary research. This MoU underscores a shared commitment to addressing mental health challenges, empowering future professionals, and promoting holistic healthcare solutions through collaborative efforts.
16	Laxmi Narasimha Hospitals	11-08-2019 To 10-08-2024	A strategic Memorandum of Understanding (MoU) has been established between Laxmi Narasimha Hospitals and Counseling Centre and Balaji Institute of Pharmaceutical Sciences, fostering a collaborative framework to enhance healthcare education and mental health awareness. This partnership aims to provide students and faculty with advanced training, clinical exposure, and interdisciplinary research opportunities in both general and mental healthcare. Leveraging the hospital's expertise in patient care and counseling, the MoU aspires to bridge the gap between academic knowledge and practical application. This collaboration reflects a shared commitment to cultivating skilled pharmaceutical professionals and addressing contemporary healthcare and mental health challenges through innovation and education.
17	Nishka Research Pvt. Ltd	11-11-2019 To 10-11-2024	A comprehensive Memorandum of Understanding (MoU) has been formalized between Nishka Research Pvt. Ltd. and Balaji Institute of Pharmaceutical Sciences, establishing a robust partnership aimed at advancing research, innovation, and skill development in pharmaceutical sciences. This strategic collaboration seeks to bridge academia and industry by providing students and faculty with cutting-edge research opportunities, industry-aligned training, and exposure to real-world applications in pharmaceutical development. Leveraging Nishka Research's expertise in advanced methodologies and innovation, this MoU underscores a shared commitment to fostering academic excellence, cultivating future-ready professionals, and driving impactful contributions to the pharmaceutical and healthcare sectors through collaborative efforts.
