CIRCULAR

It is to be informed to all the B.Pharm, IIIrd, IVth year and Pharm.D, IVth year students that our college is organising one day **PROBLEM SOLVING SKILLS** training program from **19th to 23rd DEC**, in seminar hall. All of you attend and utilise this opportunity without fail.

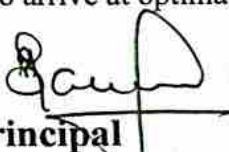

Key Components:

1. **Analytical Thinking:** Sharth Kumar emphasizes the importance of analytical thinking in problem-solving. Participants learn how to break down complex problems into manageable parts, identify key factors, and analyze data to make informed decisions.
2. **Creative Problem-Solving:** The training encourages participants to think outside the box and explore innovative solutions to problems. Techniques such as brainstorming, mind mapping, and lateral thinking are taught to foster creativity in problem-solving.
3. **Decision-Making Frameworks:** Sharth Kumar introduces decision-making frameworks that help participants evaluate options, consider risks and benefits, and choose the most effective solution. This includes techniques like cost-benefit analysis, SWOT analysis, and decision trees.
4. **Collaborative Problem-Solving:** The training promotes teamwork and collaboration in problem-solving. Participants learn how to leverage collective intelligence, communicate effectively with team members, and synergize diverse perspectives to arrive at optimal solutions.

Report

Date: 23/07/2023

Name of the activity: Life Skills Training Programme

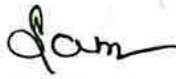

Duration: 17th to 23rd July 2023

Resource person: Md. Farooq, RUBICON, Bengaluru

Components of the Programme:

1. **Self-awareness and Emotional Intelligence:** This component helps participants understand their emotions, strengths, weaknesses, and motivations. It includes activities such as self-reflection, mindfulness practices, and emotional regulation techniques.
2. **Communication Skills:** Participants learn effective verbal and non-verbal communication techniques, active listening, assertiveness, and conflict resolution strategies. Role-playing exercises and group discussions are often used to practice these skills.
3. **Critical Thinking and Problem-Solving:** This segment focuses on developing analytical thinking, decision-making skills, and creative problem-solving abilities. Participants (115) engage in case studies, simulations, and brainstorming sessions to enhance their critical thinking skills.
4. **Stress Management and Coping Strategies:** The programme teaches stress management techniques, relaxation methods, time management, and resilience-building strategies to help individuals cope with challenges and maintain well-being.
5. **Interpersonal Skills and Relationships:** This component emphasizes building positive relationships, empathy, teamwork, and effective leadership skills. Group activities, team projects, and conflict resolution simulations are incorporated to improve interpersonal dynamics.

REPORT

Name of the Program: Communicative English training

Duration of Training: 11 Nov, 2023 to 30, April 2024

Resource Person Details: Mr. M. Teja

Assistant Professor, BITS

Balaji Institute of Pharmaceutical Sciences as per the academic syllabus conducted a class work on "Communicative English training" for B pharmacy 1st year and Pharm-D 1st year students throughout the semester by Mr. M. Teja from 11 Nov, 2023 to 30, April 2024. The main objectives of conducting Communicative English training was

- ✓ To review the grammatical forms of English and to utilize these forms in specific communicative contexts, which include class activities, homework assignments, reading of texts and writing.
- ✓ To attain and enhance competence in the four modes of literacy, writing, speaking, reading and listening.
- ✓ To develop interaction skills.
- ✓ To produce a short research paper using the drafting process.
- ✓ To develop their ability as critical readers and writers.

90% students from both the years have attended this informative program Mr. M. Teja took interactive sessions where she explained the importance of English learning and how they are most important in the corporate field. On the last day of the training she conducted group activity program among the students and assessed group activity performance of the students. An open feedback of the students have been asked and confessed that English training ensured them to be more productive and confident. The management and principal of Balaji Institute of Pharmaceutical Science expressed the gratitude to Mr. M. Teja.

REPORT

Name of the Program: Cardiopulmonary resuscitation training

Date: 06, Dec, 2023

Resource Person Details: Dr.A. Shyam Sundar

Principal, BIPS

Balaji Institute of Pharmaceutical Science organised "A training program on "Cardiopulmonary resuscitation training for B. Pharmacy and Pharm-D students by Dr.A. Shyam Sundar on 06, Dec, 2023. The main objectives of conducting CPR Training is to manage an unresponsive casualty for the ones who is having an issue in normal breathing

- ✓ To Recognize and know the need to commence Cardiopulmonary Resuscitation (CPR)
- ✓ To Perform Cardiopulmonary Resuscitation using a manikin

The students from both the courses have attended this informative programs. The talk gave a detailed information about-

- ✓ Assess the scene for danger.
- ✓ Assess a casualty's level of consciousness and minimize the damage.
- ✓ Demonstrate how to open a casualty's airway and check for breathing.
- ✓ Demonstrate how to place an unresponsive casualty in the recovery position.

Individuals with learning experience skills were been assessed. An open feedback from the students has been asked and confessed that CPR Training was very helpful as part of their Hospital postings. The management and principal of Balaji Institute of Pharmaceutical Science expressed the gratitude to Dr.A. Shyam Sundar students for making the program successful.

REPORT

Name of the Program: International Yoga Day

Duration of Training: 21st June 2023

Resource Person Details: K.Sadih

Yoga consultant

Balaji Institute of Pharmaceutical Sciences organized "A training program" on "International Yoga Day" for B. Pharmacy and Pharm-D students on 21st June 2023 by K.Sadih. She created awareness about the significance of yoga in daily lives and how it helps in maintaining the calmness of mind by conducting a demonstrative session.

About 303 students from both the courses have attended this informative program. Individuals with learning experience skills were been assessed. An open feedback from the students has been asked and confessed that the International Yoga Day training program was very helpful. The management and principal of Balaji Institute of Pharmaceutical Sciences expressed the gratitude to K.Sadih and students for making the program successful.

BIPS, Faculty

Balaji Institute of Pharmaceutical Sciences arranged "A training program on "Introduction to Clinirex and hands on practice" for all Pharm-D students by Dr.A.Nagesh on 10, June, 2023.. The main objective of conducting Introduction to Clinirex and hands on practice was to make the students utilize the data base for case studies in hospitals. Dr.A.Nagesh, explained how Clinirex was useful in the clinical cases that were collected at the hospital. He also gave a detailed information about the uses of database in analysis, case presentations, editing, and saving the entered cases in the data base. He further showed the students on how to login with I'd and use the software. 121 students from both the years have attended this informative program. A.Raj Shekar took interactive sessions where he explained the importance of Clinirex. On the last day of the training Dr.A.Nagesh conducted written exam among the students and assessed performance of the students. REPORT

Name of the Program: ICT in Inventory management.

Date: 12,DEC, 2023

Resource Person Details: .P.Madhavi, Area Hospital Narsampet

Balaji Institute of Pharmaceutical Sciences conducted "A training program on "ICT in Inventory management" for B pharmacy 2nd year and Pharm-D 2nd year students by P.Madhavi_12,DEC, 2023. The main objective of conducting ICT in Inventory management was:

- ✓ How to reduce cost of ordering stock, improved order processing.
- ✓ To improve speed of service to customers.
- ✓ To improve the accuracy of inventory data.
- ✓ To reduce the risk of errors and omissions.
- ✓ To enhance stock availability to customers.
- ✓ To show the effect of information technology on inventory management.

95 students from both the years have attended this informative program. P.Madhavi took interactive sessions where he explained the importance of ICT learning and how they became most important in the Pharmacies. On the last day of the training P.Madhavi conducted written exam among the students and assessed performance of the students. An open feedback from the students has been asked and confessed that ICT skills ensured them to be more productive and accurate. The management and principal of Balaji Institute of Pharmaceutical Sciences expressed gratitude to the students for making the program fortuitous and successful.
